The certificate of conformity is based on an evaluation of a sample of the above mentioned product. Technical report and documentation are at the applicant's disposal. This is to certify that the test sample is in conformity with all provisions of Council Directive **2006/42/EC**, in its latest amended version, referred to as Machinery Directive. The certificate does not imply assessment of production and does not permit the use of lab's logo. The applicant of the certificate is authorized to use the certificate in connection with the CE Declaration of Conformity to the Directive **2006/42/EC** as covered in the TCF/01 dated: **05-10-2016**.

This CE marking may be used only if all relevant and effective EC Directives are complied with
